

# Their farming future is in your hands

Enter this year's awards  
[www.bfea.org.nz](http://www.bfea.org.nz)

## The Ballance Farm Environment Awards are an annual programme run by the New Zealand Farm Environment Trust.

They embrace farmers and growers at every stage of their sustainability journey, providing an opportunity to showcase, benchmark, and improve the environmental, social and economic sustainability of their operation.

Being part of the awards programme is a positive way to receive feedback on your business, help identify your strengths and learn from others who are passionate about the food and fibre sector.
